

MY DAUGHTER

I remember the good times that we once had and still I hold my head up and not be sad.

Although it's a new beginning, I won't forget the past. You are safe in God's arms at last.

A piece of my life is missing and gone;
Your spirit is all around me I will never be alone.

Sleep well daughter.

~ Your mom

"PEANUT" OUR SISTER, OUR FRIEND

Sister, we've been there through life's sorrow and pain. We've cried till we laughed and laughed till we cried. When we are not together our bond is just as strong. So whether we are together or apart, you are our sister, our friend forever in our hearts.

~ Your brothers and sisters

SCRIPTURE

"And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away.

~Revelation 21:4

HIGHLIGHTS OF LIFE

On Tuesday, January 3, 1967 in Dallas, Texas the Lord blessed Robert and Shirl Frazier, Sr. with a special new year's gift; a bouncing baby girl, Robbie Denise. Shortly after she was born at the first doctor's checkup she looked at her and said, "she's as cute as she can be and tiny as a peanut"; and from that time forward, Peanut was here to make her mark on life.

An avid educational enthusiast, Robbie "Peanut" graduated from Kimball High School here in Dallas where she was active in the ROTC program. Peanut's thirst for educational achievement led her to attend El Centro Community College and Aladdin Beauty College. A proponent of continuing education, she would often times encourage young children to stay in school and to achieve higher goals academically.

Accepting Jesus as her Lord at an early age, she joined and remained a member of the Great Rock of Ages Baptist Church. And what a voice, she blessed many people with her melodious singing.

Peanut loved her family and friends and would often be found caring for and spending time with them. There was nothing like talking with her, watching 'Sanford and Son', 'Good Times' or 'American Idol' with her and sharing a good soul food meal complete with her favorites including cabbage, meatloaf, chicken & dumplings and don't forget the lemon pie.

Peanut was well respected and caring but she meant business! Peanut would show up in a moment's notice to check on her family members. There was no faking – you knew where she stood; and if you didn't she didn't mind telling you. One LOOK from her could put you back in your place!

She was determined, even after being diagnosed she would tell you "I'm gon' be alright!" What a vision of strength, love and caring she possessed.

Those who will often reflect on these and other precious memories include her loving daughters, Courtney and Couneshia; her mom, W. Shirl Frazier, her sisters, Kimberly Millage, Shelisa

Frazier, Timeka (Torey) Price, Karen (Bobby) Byrd, LaToya (Chris) Black; and her brothers, Adrian Frazier, Andre Frazier, Rodrick (Sarita) Jones, Robert Frazier, Jr. and Gregory Butler along with twelve nieces, six nephews, four great-nephews, a host of aunts, uncles, cousins and other relatives and friends. Although her father shared in many of these memories, he is now resting with the Lord and on January 23, 2010 reunited with his bouncing baby girl, Robbie Denise.

"MOMMA" TOGETHER AGAIN

You were a precious gift from God above; so much beauty, grace and love.

You touched our hearts in so many ways; you smile so bright even on the bad days.

You heard God's whisper calling you home; you didn't want to go and leave us alone, but you knew you couldn't keep him waiting too long.

You loved us so much, you held on tight; till all the strength was gone and you could no longer fight.

So you gave your hand to God so slowly drifted away; knowing that with our love we will be together again someday.

You're not suffering any more, neither are you in pain.

*We love you mama and
we will always miss you,
Courtney & Couneshia*
